4.0	Conferences and Conventions	
	ML and PK joined the meeting to report on progress with International Convention.	
4.1	KN encouraged all members to book for convention by 30 April	
	to take advantage of the Early Bird offer.	ALL
4.2	ML reported on 41 completed registrations from 20 countries. A further 100 delegates have registered their interest but are yet to fully complete the registration process.	
	Hong Kong, China, Singapore, Nigeria and Ghana will all be receiving a group discount for booking delegations of more than 10 members.	
	It is estimated that final attendance will be between 130 and 230 delegates.	
	Mauritius, Pakistan, India and Indonesia have, to date, failed to	
	respond to communications regarding registration. IVP	IVPs
	assistance requested.	
	IVPs are also asked to ensure that countries in their region are aware of the Early Bird deadline and the group booking	IVPs
	discount.	
	Individual requests for extension to the deadline for the Early	
	Bird Discount are being considered by the Convention	
4.2.1	secretariat. KN reported that late booking causes cash flow issues for the	ALL
4.2.1	organising country and asked all members to encourage early booking in their countries.	
4.2.2	SR urged IVPs to use their member and wider contacts to	IVPs
	publicise convention to a wider audience.	
4.2.3	VK advised that WiLAT members are struggling to book within	
	the Early Bird period because of funding issues. KN observed	
	that whilst CILT members in general experience the same problems in securing individual finance, specific issues of timing	ALL
	should be raised with ML and his organising committee.	
4.2.4	FE requested an extension of the Early Bird deadline for	
	Nigerian members because of local timing issues but ML	
	advised that Nigeria delegates were taking advantage of the	
405	group booking discount with a deadline of 8 June.	A I I
4.2.5	KN asked countries to raise any individual issues on registration with ML within the next 24 hours.	ALL
4.3	ML reported on the interesting programme planned for convention:	
	Day 1: WilAT conference, YP conference, Asia Forum, Africa	
	Forum and China Forum. Day 2: Prominent International speakers on the subjects of Belt	
	and Road, Smart Transport, and Regional Infrastructure,	
	followed by the President's Dinner in the revolving restaurant at	
	the top of the tallest tower in Macao.	
	Day 3: International meetings and activities followed by the	
	WiLAT Dinner and Talent competition.	
	Day 4: Technical visits including a Regional Infrastructure Tour and a visit to the Hong Kong Macao Bridge construction.	

	The event is being held at the Sheraton Grand Hotel in Macao	
	which has good facilities for delegates.	
4.4	KN confirmed that the closing date for International Young	
	Achiever nominations is 30 April. The awards committee will	BA
	consider nominations in May and the award will be presented	
	during the President's Dinner.	
4.5	VK suggested that members struggling for finance contact ML	ALL
	for lower cost hotel options.	
4.6	SR thanked ML and his committee for their efficient work in	
	organising the event.	
5.0	Committee Reports	
5.1	IESC	
5.1	Minutes were circulated of the IESC meeting in April.	
	JH updated the meeting on key IESC issues:	
5.1.1		
5.1.1	KKAs work has progressed and is on track for launch at	
<b>F</b> 4 0	convention.	
5.1.2	Train the Trainer work is also progressing.	
5.1.3	Work is in progress on new CILT modules. This will be road	
	tested at convention but will not be ready to launch at the event.	
5.1.4	Discussion on education strategy will be held at convention to	
	review future content.	
	JH confirmed that IESC will currently be focussing on levels 5	
	and 6 with CILT International qualifications remaining as they	
	are. This work is a gradual process of development.	
5.1.5	JH reported that education champions are in place and that	
	good e-correspondence has been established. However a dip in	
	IESC dial in has been noted and the issue of effective	
	communication needs to be considered to ensure that messages	
	are getting out. IVP assistance is requested with this process.	IVPs
5.1.6	JH responded to FE's enquiry on gaps in the KKA work and	
	informed the meeting that all IESC members and education	
	champions had been asked to highlight gaps as part of the	
	development work undertaken. Over 100 replies were received	
	globally. JH requested that the Nigeria team advise of any	
	further gaps, including the issue of industry and government	FE
	recognition.	
	JH further requested that all countries and IVPs advise of any	
		AT 1
	additional areas of individual concern over the next 2 weeks.	
	JH is to liaise with branches and territories for input prior to	JH
F 4 7	convention.	
5.1.7	JH reported on beneficial co-operation in areas such as Oman	
<b>5</b> 4 0	and Kazakhstan.	
5.1.8	SR noted that as an Institute we need to push education	
	standards globally.	
5.2	IMSC	
	KN reported that minutes of the last IMSC meeting had been	
	circulated and the committee will meet again in July for an	
	agenda which includes issues of individual standards.	
	Revised Membership guidelines have been posted on the DMS.	
	KN reported that the committee contains knowledgeable	
	members and is very active.
