2023 CILTNA Spring Outlook Conference Agenda

“Shifts, Shocks, and Paradigm Pops - Configuring Supply Chains for a Changing World”

Wednesday, 10 May 2023 | Vaughan, ON | 08:00 - 16:30 ET

- 08:00 - 08:10 **Welcome and Introduction to the Conference** - *Bob Armstrong*, FCILT, President, CILTNA
- 08:15 - 08:45 Opening keynote speaker: *Raymond Bohn*, President and CEO, will discuss how NAV CANADA - with over 25 years of innovation and a world-leading safety record - continues to look to the future. The world and the industry have changed, and NAV CANADA is evolving to meet the needs of its customers, stakeholders and employees to keep Canada's skies safe amidst future challenges and opportunities in aviation.
- Session 1:** **Innovations shaping Next-Gen Supply Chains - KPMG Spot Light Session**
- Moderator:** *Bob Armstrong*, FCILT, President, CILTNA
- 08:45 - 09:30 *Ted Salter*, Executive Director, Supply Chain Consulting, Advisory Services, KPMG Canada will discuss how maturing digital technologies, shifting operating constraints and evolving customer expectations are driving the successful adoption of new supply chain innovations.
- Session 2:** **Discussion on Digital Innovation and Decarbonation toward Net-Zero in the Marine Green Corridor**
- Moderator:** *Bob Armstrong*, FCILT, President, CILTNA
- 09:30 - 10:15 *Guillaume Dubreuil*, Director, External Affairs and Government Relations, Canada Steamship Line Group. Discussion on Digital Innovation Cooperation and Digital innovation and Optimization of Carbon Consumption toward the Net-Zero Goal at the CSL Group.
- 10:15 - 10:30 **Refreshment Break**
- Session 3:** **Blockchain technology - how its adoption is transforming supply chains, logistics and transportation**
- Moderator:** *Andrew Young*, FCILT, Chair US Chapter
- 10:30 - 11:15 *Dale Chrystie*, Business Fellow, Blockchain Strategist, FedEx is a globally renowned expert in this field, he is a business fellow and blockchain strategist for FedEx, based at their worldwide headquarters in Memphis. Dale has been involved with Blockchain since 2017 and presents at conferences around the world on its role in transforming supply chains and logistics. As FedEx founder and Chairman Fred Smith announced back in 2018, “Blockchain has big implications in supply chain, transportation and logistics. It’s the next frontier that’s going to completely change worldwide supply chains.”

2023 CILTNA Spring Outlook Conference Agenda
