

**THE CHARTERED INSTITUTE OF LOGISTICS & TRANSPORT SINGAPORE  
BUSINESS PLAN 2016**

**1. PROGRAMMES**

- (1) Logistics Professional Development (LPD)
- (2) Supply Chain Professional Development Programme (SCPD)

**2. QUALITY STANDARDS & ASSURANCE**

“This CPL programme is equivalent to the Chartered Financial Analyst (CFA) programme for the Financial sector. It will be used as the definitive standard for measuring competence and professionalism in logistics and supply chain management. The CPL programme will also accord due recognition and accreditation to logistics and supply chain management professionals. I am also pleased to note that the CPL programme will include development of critical IT skills, necessary for the effective implementation of the IT Action Plan for the logistics industry.”

**MR LIM SWEE SAY**

Minister of State  
for Trade & Industry and  
Communications & IT  
(2000)

LPD Programme is supported by:

- InfoComm Development Authority
- International Enterprise Singapore
