

# CILT Taiwan Brief Business Plan for 2018

December 22, 2017

1. Collaborating with China Communication and Transportation Association Training Center, CILT Taiwan delivers such professional education programmes as Foundation Certificate in Logistics, Certificate for Supervisory Manager in Logistics and Diploma for Supervisory Manager in Logistics, which, starting from 2018, will be certified and awarded with the Certificate by CILT International, instead of CILT (UK).
2. Partnering with Japan Material Handling Society, CILT Taiwan will organize a delegation to visit 2018 Tokyo International Logistics Show and a few logistics sites in Japan.
3. Working together with China Medical University based in Taichung, Taiwan, CILT Taiwan publish a book " Food Logistics and Supply Chain Management", largely based on which CILT Taiwan cooperates with The Chinese HACCP Development Association to deliver a training program for the Certificate for Supervisor in Food Safety and Cold Chain Management, certified by CILT Singapore.
4. CILT Taiwan cooperates with School of Extension Education, Soochow University to deliver training program for the Foundation Certificate in Logistics, to be certified by CILT International.
5. CILT Taiwan closely partners with Taiwan Association of Logistics Management to jointly organize such activities as seminars, workshops ,local logistics sites in 2018. CILT International.
