1. The Foundation of WiLAT

The first women group in the Chartered Institute of Logistics and Transport (the Institute) was founded by Aisha Ibrahim of the Institute in Nigeria. It became a formal Forum of the Institute in 2013 when Women in Logistics and Transport was launched globally at the Institute's annual convention on 3 June 2013 in Sri Lanka. Aisha Ibrahim was nominated as the Global Convenor and the convention adopted the formal name "Women in the Chartered Institute of Logistics and Transport" and "WiLAT" as the abbreviation. The connotative WiLAT logo was designed by Dr Dorothy Chan and female supporters in Hong Kong using the initial of 'W'. There were WiLATs in 12 countries in 2013 and by 2017, it has grown to 19 countries.

WiLAT is a Forum within CILT and this guideline document sits under the protocols for Forums described in Forum Protocol Document issued in November 2017

2. Vision & Mission

Vision: To be the most sought after for advocacy, professionalism and empowerment of women in Supply Chain, Logistics and Transport.

Mission: to promote the status of women in Supply Chain, Logistics and Transport, to bring together those who support talent and career development of women and to provide a support network and mentoring opportunities for women in the sector.

Our Logo: The initial letter of "W" for women is replicated as a flying bird to signify that women are flexible, industrious, holistic, strategic and elegant. Birds are usually gregarious and work in team which is also the core value in our logistics and transport world.
