

**Chartered Institute of Logistics & Transport (CILT)
International Management Committee (IMC)
Meeting of Wednesday 13 February 2019**

**Report by Dr Neville Binning
International Vice President (Australasia)**

1. 2020 International Convention

- CILT Australia will Host 2020 International Convention in Perth Western Australia
- Scheduled for Sunday 18th to Wednesday 21st October 2020
- Organising Committee well established (which I Chair)
- Perth Convention Bureau and Promaco Conventions Perth very much involved.

2. CILT International beyond 100 years?

- It would be prudent to consider changes that might enhance the prospects of CILT International beyond the forthcoming 100 year anniversary
- I advise my interest in being involved in such an initiative.

3. Philippines

- CILT Australia has long been actively involved with folk from the Philippines
- In particular Helen Stehbens and Karyn Welsh have been proactive in creating and delivering opportunities to promote CILT in the Philippines
- I have as IVP been party to such involvement and reported this at IMC meetings
- Other CILT jurisdictions have also identified an interest in promoting CILT in the Philippines
- Jon Harris together with Karyn, Helen and others contributed such that late last year IMC agreed that a Branch be established in the Philippines and be supported by CILT Australia.
