

CILT China Business Plan for 2021

Major work of CILT China in 2020:

1. Organising conferences & events

a. Organising The 8th China International Logistics Development Conference

Date: September, 2021 (provisional)

Venue: Baoding, Hebei Province

b. Organising The 12th China (Linyi) International Trade Logistics Expo.

Date: October, 2021 (provisional)

Venue: Linyi, Shandong Province

2. Research Project

a. Research on “China's logistics industry development status and future development trend” .

b. Conducted the research project of "Application of Satellite Internet Communication and Technology in the Field of International Logistics" with China Satellite Communication Co., Ltd .

3. Training & Education

CILT China would like to cooperate with CILT International and WiLAT to carry out business training for logistics enterprises.

- a. Discussing with Ms. Vicky Koo, vice chairperson of WiLAT, on the training work of "Calf Training Program".
- b. CILT China will assist CILT International to carry out the training work, which CILT already carried out in China, such as the international education project (CUIT-CICE) cooperated with Chengdu University of Information Technology. Moreover, if there is any other training and education program suitable for China, we also hope to get the support from CILT International.

4. Membership Development

By the end of 2020, CILT China has 26 corporate members, 13 FCILT, 136 CMILT , 52 MILT , 21 Affiliate members and 42 student members (including members of WiLAT China).

In 2021, CILT China will accelerate the construction of our official website and promotion channels to provide good publicity services, expand the popularity of CILT and CILT China to develop more members.
