This is achieved through the provision of accredited, certified and recognised development programs together with networking and event opportunities.

Significant Changes

The COVID19 pandemic is ongoing, and whilst it has impacted the association's operations up to 30 June 2021, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

No other significant change in the nature of these activities occurred during the year.

The surplus after providing for income tax amounted to \$100,407 (2020: Surplus \$4,947)
